

## Fill in the gaps

Well you only need the (1) when it's burning low	But to never to touch and never to keep
Only miss the sun when it's starts to snow	Because you loved her to much
Only know your lover when you let her go	And you dive too deep
Only (2) (3) (4)	Because you only need the light when (6)
high when you're feeling low	burning low
Only hate the road when you're missin' home	Only miss the sun when it's starts to snow
Only know your lover when you've let her go	Only know your lover when you've let her go
And you let her go	Only know you've been high when (7)
Staring at the bottom of your glass	feeling low
Hoping one day you will make a dream last	Only hate the road when you're missin' home
The dreams come slow and goes so fast	Only know (8) lover when you've let her go
You see her when you close your eyes	And you let her go
Maybe one day you will understand why	O0000 00000 000000
Everything you touch all it dies	And you let her go
Because you only need the light when it's burning low	O000000 00000 00000
Only miss the sun when it's starts to snow	And you let her go
Only know (5) lover when you've let her go	Because you only need the light when it's burning low
Only know you've been high when you're feeling low	Only miss the sun when it's starts to snow
Only hate the road when you're missin' home	Only know your lover when you've let her go
Only know your lover when you've let her go	Only know you've been high when you're feeling low
Staring at the ceiling in the dark	Only hate the road when you're missin' home
Same ol' empty feeling in your heart	Only know (9) lover when you've let her go
Love comes slow and it goes so fast	And you let her go
Well you see her when you fall asleep
