Only know your (5) (6) you let her go	Because you only need the (18) when it's
Only know you've been high when you're feeling low	burning low
Only hate the road when (7) missin'	Only miss the sun when (19) starts to snow
nome	Only (20) your lover when you've let her go
Only know your lover when you've let her go	Only know you've (21) (22) when you're
And you let her go	feeling low
Staring at the bottom of your (8)	Only hate the road when you're missin' (23)

Because you only (12) the light when it's burning	Because you only need the light when it's burning low

Only know you've been high when you're feeling low	Only hate the road when you're missin' home
Only hate the road when you're missin' home	Only know your (28) when you've let her go
Only know your lover when you've let her go	And you let her go
