

Fill in the gaps

Well you only need the light when it's burning low	But to never to touch and never to keep
Only miss the sun when (1) starts to snow	Because you loved her to much
Only know your lover when you let her go	And you dive too deep
Only know you've been high (2) you're feeling low	Because you only need the light when it's burning low
Only hate the road when you're missin' home	Only (16) the sun (17) it's starts to
Only know your lover when you've let her go	(18)
And you let her go	Only (19) your lover when you've let her go
Staring at the bottom of your glass	Only know you've (20) high when
Hoping one day you will make a (3) last	(21) feeling low
The dreams come slow and (4) so fast	Only hate the road when you're missin' (22)
You see her when you close your (5)	Only know your lover when you've let her go
Maybe one day you will understand why	And you let her go
Everything you touch all it (6)	O0000 00000 000000
Because you only need the light when it's burning low	And you let her go
Only miss the sun when (7) starts to snow	O000000 00000 00000
Only know your (8) when you've let her go	And you let her go
Only (9) you've been (10) when you're	Because you only need the light when it's burning low
feeling low	Only miss the sun when (23)
Only hate the road when (11)	(24) to snow
(12) home	Only (25) your lover when you've let her go
Only know your lover when you've let her go	Only know you've been high when you're feeling low
Staring at the ceiling in the dark	Only hate the road when you're missin' home
Same ol' empty feeling in (13) heart	Only know your lover (26) you've let her go
Love (14) slow and it goes so (15)	And you let her go
Well you see her when you fall asleep
