

Fill in the gaps

Close your eyes,	Because you're one of a kind.
Let me tell you all the reasons why	Yeah, here's to you,
I think you're one of a kind.	The one that always pulls us through
Here's to you,	You always do what you (9) do, baby,
The one that (1) pulls us through,	Because you're one of a kind.
You always do (2) you gotta do,	When your love pulls down on me
You're one of a kind,	I know I'm finally free
Thank God you're mine.	So I tell you gratefully
You're an angel dressed in armor,	Every single beat in my heart
You're the fear in every fight,	Is yours to keep.
You're my life and my safe harbor	Close (10) eyes,
Where the sun sets every night.	Let me tell you all the reasons why
And if my love is (3) I don't (4) see	You'll never gonna have to cry
the light.	Because you're one of a kind.
It's your beauty that betrays you,	Yeah, here's to you,
Your smile gives you away.	The one that always pulls us through
Cause you're made of strength and mercy	You always do what you gotta do, baby,
And my soul is yours to save.	Because you're one of a kind.
I know (5) much it's true,	You're the reason why I'm breathing
When my (6) was dark and blue	With the little look my way,
I know the only wan who'll rescue me is you.	You're the reason that I'm feeling
Close your eyes,	It's finally safe to stay.
Let me (7) you all the reasons why	
You'll never (8) have to cry
