

An unbearable pain

Fill in the gaps

Barrel Of A Gun by Depeche Mode

Do you mean (1) (2) creep		A beating in my brain
Set (3) weary feet		That leaves the (7) of Cain
Who looks in need of sleep		Right here inside
That doesn't come		What am I supposed to do
This twisted, tortured mess		When everything that I've done
This bed of sinfulness		Is leading me to conclude
Who's longing for (4) rest		I'm not the one
And feeling numb		Whatever I've done
What do you expect of me		I've been staring down the barrel of a gun
What is it you want		Is there something you need from me
Whatever you've planned for me		Are you having (8) fun
'm not the one		I (9) agreed to be
A (5)	appetite	Your holy one
Visits me (6)	night	Whatever I've done
And won't be satisfied		I've been staring (10) the barrel of a gui
Non't be denied
