

## Fill in the gaps

vveil, I (1) up to the (2) of silence	Carry on
The scars were cutting like knives in a fist fight	May your (20) be the sound of your feet
And I found you with the bottle of wine	(21) the ground and
Your (3) in the curtains	Carry on
And (4) like the fourth of july	Woah
You swore and said,	My head is on fire
"We are not we are not shining stars"	But my (22) are fine
This I know	After all, they are mine
I never said we are	Lay your clothes (23) on the floor,
Though I've never been through (5) like that	Close the door,
I've closed enough (6) to (7)	Hold the phone,
you can (8) look back	Show me how no one is ever (24) to
If you're lost and alone	(25) us now
Or you're (9) like a stone,	Because we are
Carry on	We are shining stars
May (10) past be the sound of (11) feet	We are invincible
upon the ground	We are who we are
Carry on	On our darkest day,
Carry on, carry on	When we're miles away,
So I met up with some friends at the edge of the night	So we will come
At a bar off 75	We will find our way home
And we talked and talked about how our parents	If you're lost and alone
(12) die	Or you're (26) like a stone,
All our (13) and wives	Carry on
But I'd (14) to think I can (15) it all	May your (27) be the sound of your feet upon the
To make up for the times I've (16) cheated on	ground and
And it's nice to know,	Carry on oh on on oh ohh oh oh oh oh
when i was left for dead,	oh ohh oh oh oh oh
I was (17) and now I don't roam the streets	No one is ever going to (28) us now
I am not the ghost you (18) of me	No one is ever going to stop us now
If you're (19) and alone	No one is ever going to stop us now
Or you're sinking like a stone,
