

Just a second we're not broken just bent

## Fill in the gaps

Right from the start	And we can learn to love again
You were a thief	I never stopped
You stole my heart	You're still written in the scars on my heart
And I your willing victim	You're not broken just bent
let you see the parts of me	And we can learn to love again
That weren't all (1) pretty	Oh, tear ducts can rust
And with every touch you fixed them	I'll fix it for us
Now you've been (2) in your sleep, oh, oh	We're collecting dust
Things you never say to me, oh, oh	But our love's enough
Tell me that you've had enough	You're holding it in
Of our love, our love	You're pouring a drink
Just give me a reason	No nothing is as bad as it seems
Just a little bit's enough	We'll come clean
Just a second we're not broken just bent	Just give me a reason
And we can (3) to love again	Just a little bit's enough
t's in the stars	Just a second we're not (6)(7)
t's been written in the scars on our hearts	bent
We're not broken just bent	And we can learn to love again
And we can learn to love again	It's in the stars
'm sorry I don't understand	It's (8) written in the scars on our hearts
Where all of this is coming from	That we're not broken just bent
thought that we were fine	And we can learn to love again
(Oh, we had everything)	Just give me a reason
Your head is running wild again	Just a little bit's enough
My dear we still have everythin'	Just a second we're not (9) just bent
And it's all in your mind	And we can learn to (10) again
(Yeah, but this is happenin')	It's in the stars
You've (4) havin' real bad dreams, oh, oh	It's been written in the scars on our hearts
You used to lie so close to me, oh, oh	That we're not broken just bent
There's nothing more than (5) sheets	And we can learn to love again
Between our love, our love	Oh, we can learn to love again
Oh, our love, our love	Oh, we can learn to love again
Just give me a reason	Oh, oh, that we're not broken just bent
Just a little bit's enough	And we can learn to love again

- 1. that
- 2. talking
- 3. learn
- 4. been
- 5. empty
- 6. broken
- 7. just
- 8. been
- 9. broken
- 10. love
