Way Back Into Love by Hugh Grant And Haley Bennett

I've been living with a shadow overhead	All I want to do is (6) a way back into love
I've been sleeping with a cloud above my bed	I can't make it (7) without a way back into
I've been lonely for so long	love
Trapped in the past, I just can't (1) to move on	And if I open my heart again
I've been hiding all my hopes and dreams away	I guess I'm hoping you'll be there for me in the end
Just in case I ever need em again someday	oh, oh, oh, oh
I've been setting aside time	There are moments when I don't know if it's real
To clear a little space in the corners of my mind	Or if anybody feels the way I feel
All I want to do is find a way back into love	I need inspiration
I can't make it through without a way back into love	Not just another negotiation
Oh oh oh	All I want to do is find a way back (8) love
I've been watching but the stars refuse to shine	I can't make it through without a way back (9) love
I've been searching but I just don't see the signs	And if I open my heart to you
I (2) that it's out there	I'm hoping you'll show me what to do
There's got to be something for my soul somewhere	And if you help me to start again
I've been (3) for someone to shed some	You know that I'll be there for you in the end
light	oh, oh, oh, oh
Not (4) just to get me	
(5) the night	
I could use some direction	

- 1. seem
- 2. know
- 3. looking
- 4. somebody
- 5. through
- 6. find
- 7. through
- 8. into
- 9. into
