

Fill in the gaps

I, I'm driving (1) on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the angel on my right ain't hanging out with me	Look at the trouble we're in
tonight	We were (18) out by the tracks
I'm driving past your house while you were sneaking out	We're sitting in the back
I got the car door (2) up so you can jump in	And we (19) started getting busy
on the run	When she whispered (20) was that?"
Your mom don't know that you were missing	The wind, I think 'cause no one else knows where we are
She'd be pissed if she (3) see the parts of you	And that was when she started screamin'
(4) been kissing	"That's my dad (21) the car!"
Screamin'	Oh please, the keys, they're not in the ignition
No, we're never gonna quit	Must have wound up on the floor while
Ain't nothing wrong with it	We were switching our positions
Just acting like we're animals	I guess they knew that she was missing
No, no (5) where we go	As I tried to tell her dad it was her mouth that I was kissing
'Cause everybody knows	Screamin'
We're just a couple of animals	No, we're (22) gonna quit
So come on baby, get in	Ain't nothing wrong with it
Get in, (6) get in	Just acting like (23) animals (animals)
Check out the trouble we're in	No, no (24) where we go
You're beside me on the seat	'Cause everybody knows
Got your hand between my knees	We're (25) a couple of animals (animals)
And you control how fast we go by just how (7) you	So come on baby, get in
wanna squeeze	We're just a couple of animals
It's hard to steer (8) (9)	Get in, just get in
breathing in my ear	Ain't nothing wrong (26) it
But I got both (10) on the wheel	Check out the (27) we're in
(11) you got both (12) on my gears	We're just a couple animals
By now, no doubt (13) we (14) heading	Get in, just get in
south	
I guess nobody (15) taught her not to speak with a	
full mouth	
'Cause this was it, like flicking on a switch	
It (16) so good I almost drove into the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just acting like we're (17) (animals)	
No, no matter where we go
