

Fill in the gaps

I, I'm driving black on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the (1) on my right ain't hanging out	Look at the trouble we're in
with me tonight	We were parked out by the tracks
I'm driving past your house while you were sneaking out	We're sitting in the back
I got the car door opened up so you can jump in on the run	And we just started getting busy
Your mom don't know that you (2) missing	When she whispered "what was that?"
She'd be pissed if she could see the parts of you I've been	The wind, I (7) 'cause no one else knows where
kissing	we are
Screamin'	And that was when she started screamin'
No, we're never gonna quit	"That's my dad (8) the car!"
Ain't nothing wrong with it	Oh please, the keys, they're not in the ignition
Just acting like we're animals	Must have wound up on the (9) while
No, no matter where we go	We were switching our positions
'Cause everybody knows	I guess they knew that she was missing
We're just a couple of animals	As I tried to tell her dad it was her mouth that I was kissing
So come on baby, get in	Screamin'
Get in, just get in	No, we're never gonna quit
Check out the trouble we're in	Ain't nothing wrong with it
You're beside me on the seat	Just acting like we're animals (animals)
Got your hand between my knees	No, no (10) where we go
And you control how fast we go by just how hard you wanna	'Cause everybody knows
squeeze	We're just a couple of animals (animals)
It's hard to steer when you're breathing in my ear	So come on baby, get in
But I got both hands on the wheel while you got both hands on	We're just a couple of animals
my gears	Get in, just get in
By now, no (3) that we were	Ain't nothing wrong with it
(4) south	Check out the trouble we're in
I guess nobody ever taught her not to speak with a full mouth	We're just a couple animals
'Cause this was it, like flicking on a switch	Get in, just get in
It felt so good I almost drove into the ditch	
I'm screamin'	
No, (5) never gonna quit	
Ain't nothing wrong with it	
Just acting like we're animals (animals)	
No, no matter (6) we go
