

## Fill in the gaps

## Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the type that	(Do I wanna know?)
sticks around like summat in (1) teeth?	If this feeling flows both ways
Are there some aces up (2) sleeve?	(Sad to see you go)
Have you no idea that you're in deep?	Was sorta hoping (20) you'd stay
've dreamt (3) you nearly every night	(Baby we both know)
(4) week	That the nights were (21) for
How many secrets can you keep?	saying things (23) you can't say tomorrow day
Cause there's this tune I (5) that makes me think	Crawling back to you
of you (6) and I (7) it on repeat	Ever thought of (24) when you've had a
Until I fall asleep	few? (calling when you've had a few)
Spilling drinks on my settee	'Cause I always do ('cause I always do)
(Do I wanna know?)	Maybe I'm too busy being yours to fall for
f this (8) flows both ways	(25) new
(Sad to see you go)	Now I've thought it through
Was sorta hoping that you'd stay	Crawling back to you
(Baby we both know)	(Do I wanna know?)
That the nights (9) mainly made for saying things	If this feeling flows both ways
hat you can't say (10) day	(Sad to see you go)
Crawling back to you	Was sorta (26) that you'd stay
Ever thought of calling (11) you've had a few?	(Baby we both know)
Cause I always do	That the nights were mainly made for saying things that you
Maybe I'm too busy being (12) to fall for	can't say tomorrow day
somebody new	(Do I wanna know?)
Now I've thought it through	Too busy being yours to fall
Crawling back to you	(Sad to see you go)
So (13) you got the guts?	Ever (27) of calling darling?
Been (14) if your heart's still open and	(Do I wanna know)
f so I wanna know what time it (15)	Do you want me crawling back to you?
Simmer down and pucker up	
'm (16) to interrupt it's just I'm constantly on the	
cusp of (17) to kiss you	
don't know if you (18) the (19) as I do
