

I don't know if you feel the same as I do

Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the type	(Do I wanna know?)
(1) sticks around like summat in (2)	If this feeling flows both ways
teeth?	(Sad to see you go)
Are there some (3) up your sleeve?	Was sorta hoping that you'd stay
Have you no idea that you're in deep?	(Baby we both know)
I've dreamt about you nearly every night this week	That the nights were mainly made for saying things that you
How many secrets can you keep?	can't say tomorrow day
Cause there's this tune I found (4) makes me think	Crawling back to you
of you somehow and I play it on repeat	Ever thought of calling when you've had a few? (calling when
Until I fall asleep	you've had a few)
Spilling drinks on my settee	'Cause I always do ('cause I always do)
(Do I wanna know?)	Maybe I'm too busy being yours to (9) for
If this feeling flows both ways	somebody new
(Sad to see you go)	Now I've thought it through
Was sorta hoping that you'd stay	Crawling back to you
(Baby we both know)	(Do I wanna know?)
That the nights were (5) made for saying	If this feeling flows both ways
things (6) you can't say tomorrow day	(Sad to see you go)
Crawling back to you	Was sorta hoping that you'd stay
Ever thought of calling when you've had a few?	(Baby we both know)
Cause I always do	That the nights were mainly made for saying
Maybe I'm too (7) being yours to fall for somebody	(10) that you can't say tomorrow day
new	(Do I wanna know?)
Now I've (8) it through	Too busy being yours to fall
Crawling back to you	(Sad to see you go)
So have you got the guts?	Ever thought of calling darling?
Been wondering if your heart's still open and if so I wanna	(Do I wanna know)
know what time it shuts	Do you want me crawling back to you?
Simmer down and pucker up	
I'm sorry to interrupt it's just I'm constantly on the cusp of	
trying to kiss you
