| Do you (1) get (2) fear that you can't                        | (Do I wanna know?)   |
| shift the type that sticks around like summat in your teeth?  | If this feeling flows both ways                              |
| Are there some aces up your sleeve?                           | (Sad to see you go)  |
| Have you no idea that you're in deep?                         | Was sorta hoping that you'd (7)                              |
| 've dreamt about you nearly every night this week             | (Baby we both know)  |
| How many secrets can you keep?                                | That the nights were mainly made for (8)                     |

| f this feeling flows both ways                                | Maybe I'm too busy being yours to fall for somebody new      |
| (Sad to see you go)   | Now I've thought it through                                  |
| Was sorta hoping that you'd stay                              | Crawling back to you   |
| (Baby we both know)   | (Do I wanna know?)   |
