

Fill in the gaps

Stop For A Minute by Keane Ft. K'naan

Some days, feels my (1) has (2) my	And I'm the (15) to admit it
body	Without you I'm child and so wherever you go
Feel I'm (3) high above me	I will follow
Like I'm looking (4) (5) me	One yeah
Start sinking, everytime I get to thinking	And (16) you are just beautiful from crown to
It's easier to keep on moving	(17) cuticles
Never stop to let the truth in	You held down my two sons,
Sometimes I feel like it's all (6) done	you never frown when duty calls
Sometimes I feel (7) I'm the only one	You know me, I (18) you more than you can
Sometimes I wanna change everything (8)	handle
ever done	But you still (19) a (20) on it
Too tired to fight and yet too scared to run	even (21) I take (22)
And if I stop for a minute	beautiful and vandal on it
I think about things I really don't wanna know	No more females?
And (9) the first to admit it	Well how come my emails got (23) on a scandal
Without you I'm a (10) stranded in an ice floe	It's like Eve with the apple,
I feel like a thief who has no faith	A (24) in the chapel
Maybe more than by the grade	Overcome by the (25) tackle
Of the (11) you took that day	I'm still shackling the bad til I know
Sinking in the pain he's been inflicting	And if I stop for a minute
Yet he's feeling like the victim	I think about things I really don't wanna know
Just a horoscope's to blame	So I guess I'm just a fiend
Sometimes I feel like a little lost child	Consumed by the scene
Sometimes I feel like the chosen one	And I'm the first to admit it
Sometimes I (12) shout out 'til everything goes	Without you I'm a liner (26) in an ice floe
quiet	The (27) and the screens
Sometimes I wonder why I was (13) born	Where it's just me and Keane.
And if I stop for a minute	
I think (14) things really I don't wanna know
