Stop For A Minute by Keane Ft. K'naan

Some days, feels my soul has left my body			And I'm the first to admit it	
Feel I'm floating high above me			Without you (7)	child and so wherever you g
Like (1)	(2)	(3)	I will follow	
upon me			One yeah	
Start sinking, everytime I get to thinking			And baby you are just beautiful from crown to your cuticles	
It's easier to keep on moving			You held down my two sons,	
Never (4) to let the truth in			you never frown (8) duty calls	
Sometimes I feel like it's all been done			You know me, I gave you more than you can handle	
Sometimes I feel (5) I'm the only one			But you still keep a handle on it	
Sometimes I wanna change everything I've ever done			even when I take something beautiful and vandal on it	
Too tired to fight and yet too scared to run			No more females?	
And if I stop for a minute			Well how come my emails got notes on a scandal	
I think about things I really don't wanna know			It's like Eve with the apple,	
And I'm the first to admit it			A priest in the chapel	
Without you I'm a liner stranded in an ice floe			Overcome by the devil's tackle	
I feel like a thief who has no faith			I'm still (9)	the bad til I know
Maybe more than by the grade			And if I stop for a minute	
Of the drugs you took that day			I think about things I really don't wanna know	
Sinking in the pain he's been inflicting			So I guess I'm just a fiend	
Yet he's feeling like the victim			Consumed by the scene	
Just a horoscope's to blame			And I'm the first to (10) it	
Sometimes I feel like a little lost child			Without you I'm a liner stranded in an ice floe	
Sometimes I feel like the chosen one			The stage and the screens	
Sometimes I wanna sh	out out (6)	everything	Where it's just me and Kea	ane.
goes quiet				
Sometimes I wonder wh	ny I was ever born			
And if I stop for a minute	е
