Fill in the gaps

You're Nobody 'til Somebody Loves You by James Arthur

Long gone and fallen down but I'm loving how it tastes	It's (4) times when nobody wants you
I look around for desire, love run away	Fill up my cup, don't ever stop coming
Hold back, we're falling down, and I show you how it breaks	Get up on top, I'll make it pop, honey
If I can give it, I'll take it, all of the way	You're nobody 'til (5) loves you
And I've got a lot left to learn, babe	It's a cold heart, when nobody holds you
You're nobody 'til somebody loves you	Fill up my cup, don't ever stop coming
It's hard times when nobody wants you	Get up on top, I'll make it pop, honey
Fill up my cup, don't ever stop coming	Don't you stop me, I will get what's coming to me
Get up on top, I'll make it pop, honey	I am ready, baby, I will be somebody
You're nobody 'til somebody loves you	Don't you stop me, I will get what's coming to me
It's a cold heart, when nobody holds you	I am ready, baby, I will be somebody
Fill up my cup, don't ever stop coming	You're (6) 'til (7) love:
Get up on top, I'll make it pop, honey	you
A cold star coming down	It's (8) times when nobody wants you
I was way off of the pace	Fill up my cup, don't ever stop coming
I waited (1) for the day, now the day comes for me	Get up on top, I'll make it pop, honey
When I look back we're (2) out, you live	You're (9) 'til somebody loves you
with a break	It's a cold heart, when nobody holds you
You'd always give it, I take it, all the way	Fill up my cup, don't ever stop coming
We've still got so much to learn, babe	Get over top, I'll make it pop, honey
