Somewhere Only We Know by Lily Allen

I walked across	Talk about it somewhere only we know
An (1) land	This could be the end of everything
I knew the pathway like the back of my hand	So why don't we go
I felt the earth	Somewhere only we know
Beneath my feet	Somewhere only we know
Sat by the river and it made me complete	Oh, (5) thing
Oh, simple thing	Where have you gone
Where have you gone	I'm getting old and I need someone to rely on
I'm getting tired and I need (2) to	So tell me when
(3) on	You're gonna let me in
I came across	I'm (6) tired and I need somewhere to
A fallen tree	begin
I felt the branches of it looking at me	And if you (7) a minute, why don't we go
Is this the place	Talk about it somewhere only we know
We used to love	'Cause this (8) be the end of everything
Is this the place that I've (4) dreaming of	So why don't we go
Oh, simple thing	Somewhere only we know
Where have you gone	Somewhere only we know
I'm getting old and I need something to rely on	
And if you have a minute, why don't we go
