

## Fill in the gaps

## Somewhere Only We Know by Lily Allen

I walked across	Talk (6) it somewhere only we know
An empty land	This could be the end of everything
I knew the pathway like the (1) of my hand	So why don't we go
I felt the earth	Somewhere only we know
Beneath my feet	Somewhere only we know
Sat by the river and it made me complete	Oh, simple thing
Oh, simple thing	Where (7) you gone
Where have you gone	I'm getting old and I (8) someone to rely on
I'm getting tired and I need someone to rely on	So tell me when
I came across	You're gonna let me in
A fallen tree	I'm (9) tired and I need somewhere to
I felt the branches of it looking at me	begin
Is (2) the place	And if you have a minute, why don't we go
We used to love	Talk about it somewhere (10) we know
Is (3) the place that I've been dreaming of	'Cause this could be the end of everything
Oh, simple thing	So why don't we go
Where have you gone	Somewhere only we know
I'm (4) old and I need something to	Somewhere only we know
(5) on	
And if you have a minute, why don't we go
