

## Fill in the gaps

| Hey, I'm (1) tired                | (Falling (16) (17) me)            |
|-----------------------------------|-----------------------------------|
| My time, is (2) today             | So down                           |
| ou flirt (3) suicide              | Beating me down                   |
| Sometimes, that's ok              | Beating me, (18) me down, down    |
| Hear what others say              | Into the ground                   |
| m here, standing hollow           | Screaming some sound              |
| Falling away (4) me               | Beating me, beating me down, down |
| Falling away (5) me               | Into the ground                   |
| Day, is (6) fading                | Pressing me                       |
| That's when, I would say          | They won't go away                |
| flirt with suicide                | So I pray, go away                |
| Sometimes kill the pain           | It's falling (19) from me         |
| can always say                    | It's falling (20) from me         |
| t's (7) be (8) tomorrow           | It's falling away from me         |
| Falling away (9) me               | Beating me down                   |
| Falling (10) (11) me              | Beating me, (21) me down, down    |
| Beating me down                   | Into the ground                   |
| Beating me, beating me down, down | Screaming some sound              |
| nto the ground                    | Beating me, (22) me down, down    |
| Screaming some sound              | Into the ground                   |
| Beating me, (12) me down, down    | Beating me, beating me down, down |
| nto the ground                    | Into the ground                   |
| Falling away from me)             | Screaming (23) sound              |
| t's (13) round and round          | Beating me, beating me down, down |
| Falling away from me)             | Into the ground                   |
| t's lost and can't be found       |                                   |
| Falling (14) (15) me)             |                                   |
| t's spinning round and round      |                                   |
