

Fill in the gaps

Ben, the two of us need (1) no more
We both found what we were looking for
With my friend to call my own I'll never be alone
And you my friend (2) see, you've got a (3) in me
Ben, you're always running here and there
You feel you're not wanted anywhere
If you ever look behind and don't like what you find
There's something you (4) know, you've got a place to go
I (5) to say, "I", And "Me"
Now it's "Us", Now it's "We"
Ben, most (6) would turn you away
I don't listen to a word they say
They don't see you as I do I wish they would try to
I'm (7) they'd think again if (8) had a friend like Ben
Like Ben, like Ben
