

Fill in the gaps

The very (1) of all	And I shiver
Has (3) extinguished	This black page in history is not colourfast
Smothered by those	Will (16) the next
Who (4) not bear to (5) reality	All (17) (18) is (19)
Every beat of your (6) tore the (7) all	feint
apart	Of what was meant to be
Made foundations quiver	This black (20) in history is not colourfast
Every (8) in the lake	Will stain the next
Caused the porcelain to break	And nothing (21) in (22) in dreams
And I shiver	Like what was meant to be
The leftover (9) just doesn't contain	Every beat of your (23) tore the (24)
All the right answers	all apart
Under a sea of dust lies a vast (10) of wisdom	Made (25) quiver
(As untouched snow (11) red)	Every (26) in the lake
(Innocence dies)	Caused the porcelain to break
Every (12) of your heart (13) the lies all	And I shiver
apart	I shiver
Made (14) quiver	
Every (15) in the lake	
Caused the porcelain to break
