

Fill in the gaps

Feelings you see	So (14) are we doing now?
Are so (1) to believe	Feeling (15) I cannot be contained
All the chaos I (2) in my heart	I'm so lost and lonely now
Devils I make and the love can relate	Where do I run?
All the solace inside (3) me up	Where do I hide?
Take me away!	Give me a reason to end my life
Set me on fire!	Where do I run?
There's no (4) way!	Where do I hide?
Give me a reason 'cause I got (5) to gain	Give me a reason to get out alive
So what are we (6) now?	Give me a (16) 'cause I got
Feeling (7) I cannot be contained	(17) to gain
I'm so lost and lonely now	So (18) are we doing now?
We've been deceived	Feeling (19) I cannot be contained
It's so (8) for me	I'm so (20) and (21) now
'Cause the loathing I've had from the start	Give me a reason 'cause I got nothing to gain
Evil disease all the (9) it breathes	So what am I doing now?
As (10) down on my (11) torn	(What am I doing now?)
apart	Feeling (22) I cannot be contained
Take me away!	I'm so (23) and lonely now
Set me on fire!	
There's no other way!	
Give me a (12) 'cause I got	
(13) to gain
