

Fill in the gaps

Feelings you see	So what are we doing now?
Are so hard to believe	Feeling (5) I (6) be
All the chaos I (1) in my heart	contained
Devils I make and the love can relate	I'm so lost and (7) now
All the solace inside tears me up	Where do I run?
Take me away!	Where do I hide?
Set me on fire!	Give me a reason to end my life
There's no (2) way!	Where do I run?
Give me a reason 'cause I got nothing to gain	Where do I hide?
So what are we (3) now?	Give me a reason to get out alive
Feeling complacent I cannot be contained	Give me a reason 'cause I got nothing to gain
I'm so lost and lonely now	So what are we doing now?
We've been deceived	Feeling complacent I cannot be contained
It's so easy for me	I'm so lost and lonely now
'Cause the loathing I've had from the start	Give me a reason 'cause I got nothing to gain
Evil disease all the hatred it breathes	So what am I doing now?
As I'm down on my knees torn apart	(What am I doing now?)
Take me away!	Feeling complacent I (8) be contained
Set me on fire!	I'm so lost and (9) now
There's no other way!	
Give me a (4) 'cause I got nothing to gain
