Beautiful Stranger by Madonna

Beautiful stranger

Fill in the gaps

(Yeah baby)	(Da da-da-dum da-dum da da da-da dum)
(Hello, Austin)	Beautiful stranger
(Hey Basil, how are you)	If I'm smart then I'll run away
(We need your help)	But I'm not, so I guess I'll stay
(Someone is seducing our top agents)	Haven't you heard
(As you can see, she's a master of disguise)	I fell in (5) with a beautiful stranger
(But Austin)	I looked into your face
(Whatever you do)	My heart was dancing all over the place
(Don't fall in love)	I'd (6) to change my point of view
(We've already lost 007 and 008)	If I (7) (8) forget about you
(Well then, Basil, this (1) like a (2)	To know you
for)	Is to love you
(Double-o behave)	You're everywhere I go
Haven't we met	And everybody knows
You're some kind of beautiful stranger	I looked into your eyes
You could be good for me	And my world came tumbling down
I've had the taste for danger	You're the devil in disguise
If I'm smart then I'll run away	That's why I'm singing this song to you
But I'm not, so I guess I'll stay	To (9) you
Heaven forbid	Is to love you
I'll take my chance on a beautiful stranger	You're everywhere I go
I looked into your eyes	And everybody knows
And my (3) came tumbling down	I've paid for you with tears
You're the devil in disguise	And swallowed all my pride
That's why I'm singing this song	(Da da-da-dum da-dum da da da-da dum)
To know you	Beautiful stranger
Is to love you	(Da da-da-dum da-dum da da da-da dum)
You're (4) I go	Beautiful stranger
And everybody knows	(You get in the right way for a smacked bottom)
To love you	(I hope so)
Is to be part of you	(It's good to be me)
I've paid for you with tears	
And swallowed all my pride	
(Da da-da-dum da-dum da da da-da dum)
