She's Killing Me (Acoustic) by A Rocket To The Moon

All my friends are coming over	That lead back home (so come back home)
And I (1) nobody told her	She'll pick a fight for no good reason
She has a way of turning sunshine into rain	She knows I'll never leave
I've got on that shirt she hates	I love her half to death
I just know that (2) she'll make	But she's killing me
Even though it hurts	And I wouldn't have it any other way
She's my favorite pain	She can change her clothes
She never drives her car	She can change her hair
She drives me crazy	But she'll always be the same
She (3) out of gas	So I went out, and bought her roses
And somehow I'm to blame	She complained about the thorns
I'll take her out, and drop her off	I caught her smiling
On the outskirts of our town	And that's what I do it for
I leave a trail of roses	And I'll take her out
That lead back home (so come back home)	And drop her off
She'll pick a fight for no good reason	On the outskirts of our town
She knows I'll (4) leave	I leave a trail of roses
I love her half to death	That lead back home (so come back home)
But she's killing me	She'll (7) a (8) for no (9)
And all my friends	reason
They say they like her	She knows I'll never leave
But I know behind my back	I love her (10) to death
They all (5) the same things	(Oh) yeah
That I do	I love her half to death
She spends her daddy's creditcard	I leave a trail of roses
And says that I'm the one who's lazy	So come back home
She's like a dream	(I love her half to death)
And a nightmare (6) true	She'll pick a fight for no good reason
And I'll take her out	She knows I'll never leave
And drop her off	I love her half to death
On the outskirts of our town	She's killing me
