

Fill in the gaps

This Christmas Life by Shane Dawson

If life was like a Christmas movie	rm noping for a (12) ending
I wouldn't have a care or worry	So let's (13) pretending what (14) could
And everything would always turn out fine	be
Making angels in the snow	There'll be dancing and singing
Kissing under mistletoe	This (15) life
And everyone would always have a smile	And the bells (16) be ringing
But baby, life isn't that easy	This Christmas life
Sometimes it gets crazy	No more heartaches or heartbreaks
I'm (1) on my knees	This Christmas life
Yeah	(Oh) I wish it (17) be mine
I'm hoping for a happy ending	So I (18) my eyes and
So let's stop pretending what life could be	Create a wonderland where
There'll be (2) and singing	Anything's (19) there
This Christmas life	I'm just (20) of (21) it
And the bells will be ringing	(22) be
This (3) life	There'll be dancing and singing
No more heartaches or heartbreaks	This (23) life
This (4) life	And the bells will be ringing
(Oh) I (5) it could be mine	This (24) life
If I lived up on the (6) pole	No more (25) or heartbreaks
I would stare outside my window	This Christmas life
And look around at all the (7) lights	(Oh) I wish it could be mine
Christmas (8) at the (9) door	There'll be dancing and singing
Family at the dinner table	This Christmas life
And every (10) would (11) end	And the bells (26) be ringing
just right	This Christmas life
But baby, life isn't that easy	No more heartaches or heartbreaks
Sometimes it gets crazy	This (27) life
I'm falling on my knees	(Oh) I wish it could be mine
Yeah
