

I'm falling on my knees

This Christmas Life by Shane Dawson

If (1) was like a Christmas movie		I'm hoping for a happy ending		
I wouldn't have a care or worry		So let's stop pretending what life could be		
And everything would always turn out fine		There'll be dancing and singing		
Making angels in the snow		This Christmas life		
Kissing under mistletoe		And the bells will be ringing		
And (2)(3	3) always have a	This Christmas life		
smile		No more (6)	or heartbreaks	
But baby, life isn't that easy		This Christmas life		
Sometimes it gets crazy		(Oh) I wish it could be mine		
I'm falling on my knees		So I close my eyes and		
Yeah		Create a (7)	_ where	
I'm hoping for a happy ending		Anything's possible there	Anything's possible there	
So let's stop pretending what life could be		I'm just dreaming of what it would be		
There'll be dancing and singing		There'll be dancing and singing		
This Christmas life		This Christmas life		
And the bells will be ringing		And the bells will be ringing		
This Christmas life		This Christmas life		
No (4) heartaches or heartbreaks		No more (8)	or heartbreaks	
This Christmas life		This Christmas life		
(Oh) I wish it could be mine		(Oh) I wish it could be mine		
If I (5) up on the north pole		There'll be dancing and singing		
I would stare outside my window		This Christmas life		
And look around at all the shining lights		And the (9) will be ringing		
Christmas carols at the front door		This Christmas life		
Family at the dinner table		No more (10)	or heartbreaks	
And every night would always end just right		This Christmas life		
But baby, life isn't that easy		(Oh) I wish it could be mine		
Sometimes it gets crazy
