

Fill in the gaps

(Yo)	You remind me (you remind me)
I ain't (1) you in a minute	You remind me of a girl that I once knew
But I got something to tell you, listen	See her (6) whenever I, I look at you
See the thing about you that caught my eye	Wouldn't (7) all the of the things
Is the same thing that makes me change my mind	She put me through
Kind of hard to explain but girl I try	This is why I just (can't get it with you)
You need to sit down this may take awhile	Gotta let you go
See this girl, she sort of looks just like you	(You remind me of a girl (8) I once knew)
She even smiles just the way you do, so	You remind me of a girl
Innocent she seemed but I was fooled	(See her face whenever I, I look at you)
I'm reminded when I look at you	Wouldn't believe
You remind me of a girl that I once knew	(Wouldn't believe all the of the things)
See her face whenever I, I (2) at you	All that she put me through
Wouldn't believe all the of the things	(She put me through)
She put me through (oh no, no)	This is why I just (can't get it with you)
This is why I just can't get it with you	You remind me of a girl that I once knew
Thought that she was the one for me	(You remind me of a girl that I once knew)
Till I found out she was on her creep, (ooh) she	(See her face whenever I, I look at you)
Was sexing everyone but me	(Wouldn't believe all the of the things)
This is why we could never be	All the things
You remind me of a girl (3) I once knew	She put me through (she put me through)
See her face whenever I, I look at you	This is why I just can't get it with you
Wouldn't believe all the of the things	You remind me of a girl (9) I once knew
She put me through (she put me through)	See her face whenever I, I look at you
This is why I just can't get (with you)	Wouldn't (10) all the things
I know it's so unfair to you (it's so unfair)	She put me through
But I'm delivering the (4) to you	This is why I just can't get it with you
Wish I knew	
Wish I (5) how to separate the two	

- 1. seen
- 2. look
- 3. that
- 4. rest
- 5. knew
- 6. face
- 7. believe
- 8. that
