

Fill in the gaps

Manage me, I'm a mess	I'm over getting old
Turn a page, I'm a book half-unread	And (11) it's not my weekend
I want to be laughed at, laughed with just because	But it's gonna be my year
I want to feel weightless	I'm so sick of (12) while the minutes
And that should be enough	pass
But I'm stuck in (1) rut	As I go nowhere
Waiting on a secondhand pick-me-up	And this is my reaction
And I'm over getting older	To (13) I fear
If I could just find the time	'Cause I've been (14) crazy
Then I would never let another day go by	I don't want to (15) another minute here
I'm (3) old	This (16) be all I've (17) for
And maybe it's not my weekend	(I've waited, I've waited for)
But it's (5) be my year	And this (18) be everything
I'm so sick of watching while the minutes pass	I don't wanna (19) anymore
As I go nowhere	Maybe it's not my weekend
And this is my reaction	But it's (20) be my year
To (6) I fear	And I've been going crazy
'Cause I've been going crazy	I'm stuck in here
I don't want to (7) another minute here	And maybe it's not my weekend
Make believe (8) I impress	But it's gonna be my year
That every word, by design, turns a head	I'm so sick of (21) the
I wanna feel reckless	minutes pass
Wanna live it up just because	As I go nowhere
I wanna feel weightless	And (23) is my reaction
'Cause (9) would be enough	To (24) I fear
If I could just (10) the time	'Cause I've (25) going crazy
Then I would never let another day go by	I don't want to (26) another (27)
