Kiss Me Slowly by Parachute

Stay with me, baby stay with me

Tonight don't leave me alone

Walk with me, come and walk with me

To the edge of all we've ever known

I can see you there with the city lights

Fourteenth floor, pale blue eyes

I can breathe you in

Two shadows standing by the bedroom door

No, I could not want you more than I did right then

As our heads leaned in

Well, I'm not sure what this is gonna be

But with my eyes (1)_____ all I see

Is the skyline, through the window

The moon above you and the streets below

Hold my breath as you're moving in

Taste your (2)_____ and feel your skin

When the (3)_____ comes

Baby don't run, just kiss me slowly

Stay with me, baby stay with me

Tonight don't leave me alone

She shows me everything she used to know

Picture frames and country roads

When the days were long and the world was small

She stood by as it fell apart

Separate rooms and broken hearts

But I won't be the one to let you go

(Oh oh)

I'm not sure what this is (4)_____ be

But with my eyes (5)_____ all I see

Is the skyline, through the window

The moon above you and the streets below

Hold my breath as you're moving in

Taste your lips and feel your skin

When the time comes

Baby don't run, just kiss me slowly

Don't run away...

And it's hard to love again

When the (6)_____ way it's been

When the only love you know

Just walked away...

If it's something (7)_____ you want

Darling you don't have to run

You don't have to go...

Just stay with me, (8)_____ stay with me

Well, I'm not sure what this is gonna be

But with my eyes closed all I see

Is the skyline, through the window

The moon above you and the streets below

Hold my breath as you're moving in

Taste your lips and (9)_____ your skin

When the time comes

Baby don't run, just kiss me slowly

I'm not sure (10)_____ this is gonna go

But in this moment all I know

Is the skyline, through the window

The moon above you and the streets below

Hold my breath as you're moving in

Taste your lips and feel your skin

When the time comes, baby don't run

Just kiss me slowly

Answer

1. closed
2. lips
3. time
4. gonna
5. closed
6. only
7. that
8. baby
9. feel
10. where
