

The moon above you and the streets below

## Fill in the gaps

Stay with me, baby (1) with me	Hold my breath as you're (17) in
Tonight don't (2) me alone	Taste (18) lips and (19) your skin
Walk with me, come and (3) with me	When the (20) comes
To the edge of all we've ever known	Baby don't run, just kiss me slowly
can see you there with the city lights	Don't run away
Fourteenth floor, (4) blue eyes	And it's hard to love again
can breathe you in	When the only way it's been
Two shadows standing by the (5) door	When the only love you know
No, I could not want you (6) than I did	Just (21) away
(7) then	If it's something that you want
As our heads leaned in	Darling you don't have to run
Well, I'm not sure what this is gonna be	You don't have to go
But with my (8) (9) all I see	Just stay with me, baby stay with me
s the skyline, (10) the window	Well, I'm not (22) what this is (23) be
The moon above you and the streets below	But with my eyes closed all I see
Hold my breath as you're (11) in	Is the skyline, through the window
Taste your lips and feel your skin	The moon (24) you and the streets below
When the (12) comes	Hold my breath as you're (25) in
Baby don't run, just (13) me slowly	Taste your lips and (26) (27) skin
Stay with me, baby stay with me	When the (28) comes
Tonight don't leave me alone	Baby don't run, just kiss me slowly
She shows me everything she used to know	I'm not (29) where this is (30) go
Picture (14) and country roads	But in this moment all I know
When the (15) were long and the world was small	Is the skyline, through the window
She stood by as it (16) apart	The moon above you and the streets below
Separate rooms and broken hearts	Hold my breath as you're moving in
But I won't be the one to let you go	Taste your lips and feel your skin
(Oh oh)	When the time comes, baby don't run
'm not sure what this is gonna be	Just kiss me slowly
But with my eyes closed all I see	
s the skyline, through the window
