Stay with me, baby stay with me
Tonight don't leave me alone
Walk with me, (1) and walk (2) me
To the (3) of all we've ever known
I can see you there with the city lights
Fourteenth floor, pale blue eyes
I can breathe you in
Two shadows standing by the bedroom door
No, I could not want you more (4) I did right then
As our heads leaned in
Well, I'm not sure what this is gonna be
But with my (5) closed all I see
Is the skyline, (6) the window
The (7) above you and the streets below
Hold my (8) as you're moving in
Taste your lips and (9) (10) skin
When the time comes
Baby don't run, just kiss me slowly
Stay with me, baby (11) with me
Tonight don't leave me alone
She (12) me everything she (13) to
know
Picture (14) and (15) roads
When the days were long and the (16) was
small
She stood by as it (17) apart
Separate rooms and broken hearts
But I won't be the one to let you go
(Oh oh)
I'm not sure what (18) is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The (19) above you and the (20)
below

Hold my breath as you're moving in
Taste your lips and feel (21) skin
When the (22) comes
Baby don't run, just (23) me slowly
Don't run away
And it's hard to love again
When the only way it's been
When the only love you know
Just walked away
If it's something that you want
Darling you don't have to run
You don't (24) to go
Just stay with me, baby stay with me
Well, I'm not sure what this is gonna be
But with my eyes (25) all I see
Is the skyline, through the window
Is the skyline, through the window The moon (26) you and the streets below
The moon (26) you and the streets below
The moon (26) you and the streets below Hold my breath as you're moving in
