The Party Scene (Live) by All Time Low

Hey, kid, you've got

A lot of potential but I think it's time to (1)_____ up

So go on and blow us away with your sound

Now you're everything (2)_____ we've (3)_____ to
love

You (4)_____ us to move, now we'll show it off

Just drop us the beat (c'mon)

Here's to the fast times

The times we felt alive

To all the nights that we forgot to get back home

Stay seventeen

The party (5)_____ has got the best of me and you

We've got to let (6)_____ go...

Drink up last call before the sunrise sets the scene

Of empty bottles, heavy hearts

The memories of broken dreams...

We were so tired yet so alive

Wrapped up in lies

Like sheets of another one night stand

You know you left the girl with nothing

But the sunrise through the window pane

Where tired eyes will close...

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

I know she hopes I choke on this (7)_____ drink

Drop (8)_____ before my influence gets to her head...

She said

I'll love you forever or find something better

It's all just the same as when we sleep together

We wake up (9)_____ (10)_____ and

trouble remembering

What went wrong

Stay seventeen

The party scene has got the best of me and

You, we've got to let this go...
