Say goodbye to the halls and the classes

Tell me how you feel over and done with

Like your life is a map with no compass to guide

Say hello to a the job and the taxes The weekends with old friends Spilling into 9 to 5 routine

At the bar drinking way too much We sing along to forever young So here we go again (again) Wish that we could start again Wendy run away with me I know I sound crazy

Don't you see what you do to me?

The last chance a better reality

The last chance your everything better plan

Well start a life of the plain and the simple
Of great times with far better people
And weekends with our friends

Laughing about the wine that stains their teeth
We'll talk about how your parents separated and

How you don't wanna make the same mistakes as them

_ in Neverland

I wanna be a lost boy

Wendy we can get away
I promise if you're with me say
The word and we'll find a way
And I can be a lost boy

Somewhere in Neverland

I'll say it's all about sticking it out And trying to feel forever young

So here we go (2)_____ (again)

(Yeaaah)

Fill in the gaps

Wish that we could start again

Somewhere In Neverland by All Time Low
