

Fill in the gaps

I walked the line, the line I choose	
I see the people in front of me	
I climbed the wall, the wall of news	
I watched them show the tragedy	
If you (1) me, could you defend	
The given rights to all the men?	
Let's **** the world (2) all it's trend	ł
They say it's all (3) to end	
They say it's all about to end	
They say, they say	
There's a prison that's gone	
But the fear lives on	
I watched you walking on the dotted line	
Maybe you don't see what's in front of me	
Maybe you won't stand the test of time	
For we live in sin, for we (4) win	
I watched the president kiss his family	
For we live in sin, for we will win	

I (5) the president **** society
If you were me, (6) you defend
The given rights to all the men?
Let's (7) the world (8) all it's trend
They say it's all about to end
They say it's all about to end
They say, they say
I fall in love with the old times
I never mention my own mind
Let's (9) the world with all it's trend
Thank god, it's all about to end
They say, it's all about to end
They say, they say
They say, they say
They say it's all about to end
