

Fill in the gaps

Walking out into the dark	You ran into the night; you can't be found
Cutting out a (1) path	But
Lead by your beating heart	This is your heart
All the people of the town	Can you feel it? Can you feel it?
Cast (2) eyes right to the ground	Pumps through your veins
In (3) of the heart	Can you (13) it? Can you (14) it?
The (4) was all you had	If you had your gun
You ran into the night from all you had	Would you (15) it at the sky, why?
Found (5) a (6) (7)	To see where it would fall
the ground	(Oh) Will you come down at all?
You ran into the night; you can't be found	If you had your gun
But	Would you shoot it at the sky, why?
This is your heart	To see (16) your bullet (17) fall
Can you feel it? Can you feel it?	(Oh) (18) you (19) down at all?
Pumps through your veins	This is your heart
Can you (8) it? Can you feel it?	Can you feel it? Can you feel it?
Summer evening breezes blew	Pumps through your veins
Drawing voices (9) from you	Can you (20) it? Can you (21) it?
Lead by your (10) heart	This is (22) racing heart
What a (11) and what a night	Can you (23) it? Can you feel it?
What terrifying final sights	Pumps through (24) veins
Put out your beating heart	Can you (25) it? Can you (26) it?
The night was all you had	
You ran into the night from all you had	
Found (12) a path upon the ground
