

## Fill in the gaps

Step out into the Indian dust				
I can (1)	the	(2)		in my spirit
They're (3)		to	bust	
Drive by your house, nobody's home				
I'm (4) to tell myself that I'm better off alone				
All of my friends say I should move on				
She's just another girl				
Don't let her stick it to your heart so hard				
And of all my friends say				
It wasn't meant to be				
And it's a (5) big world				
She's just another girl				
Another girl				
I went to see a fortuneteller				
That was a trip				
Maybe this confusion's got me losing my grip				
I can't believe you're out there flying				
With somebody else				
Now Jason's getting married in the blink of an eye				
I got an invitation but I didn't reply				
Tell your little brother (6) we put down the gloves				
And give him all of my love				
All of my friends say I should move on				
She's just (7)		gi	rl	
Don't let her stick it to your heart so hard				
And all of my (8)			say	

It wasn't meant to be And it's a great big world She's just another girl I could be reeling them in left and right Something's got a hold on me, tonight Well maybe all of my friends Should confront The fact that I don't want Another girl All of my friends say I should move on All of my friends say All of my friends say All of my friends say She's just another girl Then why can't I sleep at night And why don't the moon look right The sounds up, the TV's on And it's a great big world She's just another girl Don't let her stick it to your heart, boy She's just another girl All of my friends say She's just another girl
