Time to change has (1) and gone	Yes it hurts to know you're bought
Watched (2) fears become your god	It's your decision
It's your decision	It's your decision
It's your decision	You feed the fire that burned us all
Overwhelmed you (3) to run	When you lied
Apathetic to the stunned	To (7) the pain that spurs you on
It's your decision	Black inside
It's your decision	It's (8) decision
You feed the fire that burned us all	It's (9) decision
When you lied	No one (10) to take the path that brings you
To (4) the pain that spurs you on	lower
Black inside	And here you stand before us all and say it's over
No one (5) to take the path that brings you lower	It's over
And here you (6) before us all and say it's over	It's over
It's over	
It might seem an afterthought
