

Everyday you're always there

Secret by Orchestral Manoeuvres In The Dark

(Secret)	You comfort me
(Secret)	And make me feel it's worth my while
I've got a secret and I can't explain	And then I look around and you're not there
All the time I've waited for this day	And everyday you say you (7) and I'll beware
All along I was (1) in doubt	(Secret)
I always (2) it would (3) get out	This is all
There are things that I cannot tell	This is all
And there are things that you know damn well	I've got a secret and I can't explain
This is (4) very hard for me	This is all
I guess you'd better just wait and see	(Secret)
This is all	All I (8) is to hold (9) hand
This is all	This is all
(Secret)	All along I was (10) in doubt
You heard a message and the message was clear	This is all
All the time you wipe (5) that tear	(Secret)
All I want is to hold (6) hand	To see the sun and to walk the sand
To see the sun and walk the sand	This is all
You make me sad and you make me glad	(Secret)
And now you see all my secret is this love	I've got a secret and I can't explain
Is love	This is all
This love	(Secret)
My secret is this love
