## Friends Will Be Friends (Live) by Queen

Another red letter day	Friends will be friends
So the pound has dropped	When you're through with life and all hope is lost
And the children are creating	Hold out your hands 'cos friends will be friends
The other half ran away	Right till the end
Taking all the cash	It's so easy now
And leaving you with the lumber	'Cause you got friends you can trust
Got a pain in the chest	Friends will be friends
Doctor's on (1) what you need is a rest	When you're in need of love
It's not easy love	They give you care and attention
But you've got friends you can trust	Friends (9) be friends
Friends (2) be friends	When you're through with life and all hope is lost
When you're in need of love	Hold out your hands
They give you care and attention	Friends will be friends

When you're through (3) life and all hope is lost	Friends will be friends
Hold out (4) hands 'cos friends will be friends	When you're in need of love
