Then you run the other way

### Fill in the gaps

#### Call It What You Want by Foster The People

| Call it what you want                               | You say, "now what's your style and               |
|---|---|
|   | Who do you listen to?" who cares?                 |
| Call it what you want                               | Well that rat race ladder-climbing fake-face      |
|   | Smile's got nothing on me                         |
| I said just call it what you want                   | Yeah yeah   |
|   | We've got nothing to lose                         |
| Call it (1) you want                                | You better run and hide                           |
|   | Yeah you've crossed the line                      |
| Yeah we're locked up in ideas                       | I've got a knife behind my back (just sayin')     |
| We (2) to label everything                          |   |
| Well I'm just gonna do here what I gotta do here    | We've got nothing to prove                        |
| 'Cause I gotta keep myself free                     | Your social (7) (8) you swollen                   |
| You're ducking and moving just to hide the bruises  | eyes  |
| From all your enemies                               | But what I've got can't be bought so you can just |
| And I'm in the crossfire dodging bullets from       | Call it what you want                             |
| You expectancies                                    |   |
| Yeah yeah   | Call it what you want                             |
| We've got nothing to lose                           |   |
| You better run and hide                             | I said just call it what you want                 |
| Yeah you've crossed the line                        |   |
| I've got a knife behind my back (just sayin')       | Call it what you want                             |
|   |   |
| We've got nothing to prove                          | Call it what you want                             |
| Your social (3) give you swollen eyes               | Call it what you want                             |
| But what I've got can't be bought so you can just   | What you want                                     |
| Call it what you want                               | Call it what you want, what you want              |
|   | What you want                                     |
| Call it (4) you want                                | Call it (9) you want                              |
|   |   |
| I said (5) call it what you want                    | Call it what you want                             |
|   |   |
| Call it what you want                               | I said just call it what you want                 |
| You've taken your words and you take your judgments |   |
| And stick them onto everything                      | Call it what you want                             |
| If it don't conform to what you were (6) into       |   |
