## Separate Ways (Worlds Apart) by Journey

Here we stand	If you must go, I wish you love
Worlds apart, hearts broken in two, two, two	You'll never walk alone
Sleepless nights	Take care my love
Losing ground I'm reaching for you	Miss you love
You, you	Someday love will find you
Feeling (1) it's gone	Break those chains that (14) you
Can change your mind	One night (15) remind you
If we can't go on	How we (16) and went our separate ways
To survive the tide love divides	If he ever hurts you
Someday love will find you	True love won't desert you
Break those (2) bind you	You (17) I still (18) you
One (4) will (5) you	Though we (19) and went our
How we (6) and went our separate ways	(20) ways
If he (7) you	Someday love will (21) you
True love won't (9) you	Break those chains (22) you
You (10) I still love you	One night will remind you
Though we touched and (11) our separate ways	If he ever hurts you
Troubled times	True love won't (24) you
Caught between (12) and pain,	You know I still (25) you
pain, pain	
Distant eyes	
Promises we (13) were in vain, in vain, vain
