## Separate Ways (Worlds Apart) by Journey

Here we stand	If you must go, I wish you love
Worlds apart, hearts broken in two, two, two	You'll never walk alone
Sleepless nights	Take care my love
Losing ground I'm reaching for you	Miss you love
You, you	Someday (4) will find you
Feeling (1) it's gone	Break (5) chains (6) bind you
Can change your mind	One night will remind you
If we can't go on	How we (7) and went our separate ways
To survive the tide love divides	If he (8) hurts you
Someday love will find you	True (9) won't desert you
Break those chains that (2) you	You know I still love you
One night will remind you	Though we touched and went our separate ways
How we (3) and went our separate ways	Someday love will find you
If he ever hurts you	Break those chains that bind you
True love won't desert you	One night will remind you
You know I still love you	If he ever hurts you
Though we touched and went our separate ways	True love won't desert you
Troubled times	You know I (10) love you
Caught between confusions and pain, pain, pain
