

Fill in the gaps

I'm back	Brought me back to you and I know it
I'm back	So I just kept (17) my friends
Prouder (1) ever baby	Waiting for (18) God to choose
Louder (2) ever maybe	Saying this ain't the day that it ends
One more pill, (3) one more beer	'Cause there's no white light and I'm not through
One (4) (5) in the atmosphere for us	I'm alive
But maybe she just (6) to be free	I'm alive
Heartless (7) on TV	And I've got so much more that I want to do
Change that (8) that could have been me	Was it music?
I said	Was it science that saved me?
Maybe she (9) wanted to be free	Or the way that you prayed for me?
So I just kept breathing my friends	Guess either way I (19) you
Waiting for the man to choose	I'm alive
Saying (10) ain't the day (11) it ends	And (20) is mine
'Cause there's no white light and I'm not through	I (21) tomorrow is mine
I'm alive	Said I (22) got to keep on breathing
I'm alive	(I said (23) is mine)
And I've got so much more	I said no, don't let go
That I want to do with the music	(Keep on breathing)
Was it music that (12) me?	Got to keep on, got to keep on, got to (24) on
Or the way (13) you (14) for me?	I just got to keep on breathing
Guess either way I thank you	I'm alive
I'm alive	I'm alive
Hotel, Motel (15) it clear	And I've got so (25) more (26) I want to
One more voice we will never hear again	give
But maybe he (16) wanted to be free	Was it music?
And I don't know what the hell	Was it (27) (28) saved me?
What the Gods	Or the way that you prayed and prayed for me
What the **** I'm saying half the time	Well I thank you I'm alive
But something divine	
(Oh) divine
