

Slipping through our fingers

## Fill in the gaps

## I Hate This Part by The Pussycat Dolls

We're (1) slow through the snow on	I don't wanna try now
(2) Avenue	All that's left is goodbye
And (3) now, radio's all that we can hear	To find a way (19) I can tell you
Now we ain't talk (4) we left, it's so overdue	I hate this part right here
It's cold outside but between us it's worse in here	I hate this part right here
The world (5) down	I just can't take your tears
But my heart beats fast right now	I hate this part right here
I (6) this is the part	I know you'll ask me to hold on
Where the end starts	And (20) on like nothing's wrong
I can't (7) it any longer	But there is no (21) time for lies
Thought that we (8) stronger	'Cause I see sunset in your eyes
All we do is linger	I can't take it any longer (can't take do this)
Slipping through our fingers	Thought that we were stronger
I don't wanna try now	All we do is linger (is linger)
All that's left is goodbye	Slipping through our (22) (through our
To find a way that I can (9) you	finger)
I hate (10) part (11) here	I don't wanna try now (try now)
I hate this part right here	All that's (23) is goodbye (goodbye now)
I just can't take (12) tears	To find a way that I can (24) you (I can tell you)
I hate (13) part (14) here	But I've gotta do is
Everyday seven takes of the same old scene	I've gotta do it
Seems we're bound by the loss of the same routine	I've gotta do it
Gotta (15) to you now before we go to sleep	I hate this part
But will you (16) once I tell you what's hurting	I gotta do it
me?	I gotta do it
The world (17) down	I (25) do it
But my heart beats (18) right now	I hate this (26) right here
I know (I know) this is (this is) the part	I hate this part (27) here
Where the end starts	I just can't take (28) tears
I can't take it any longer	I hate this part right here
Thought that we were stronger	
All we do is linger
