

Fill in the gaps

Let it go	Let it go
Let it go	Let it go
Can't hold you (1) anymore	Can't (19) you back anymore
Let it go	Let it go
Let it go	Let it go
Turn my (2) and slam the door	Turn my back and slam the door
The snow (3) white on the mountain tonight	And here I stand
Not a footprint to be seen	And here I'll stay
A (4) of isolation	Let it go
And it looks (5) I'm the Queen	Let it go
The wind is howling (6) the (7)	The cold never bothered me anyway
storm inside	Standing (20) in the life I've chosen
Couldn't (8) it in, (9)	You won't (21) me
(10) I tried	The past is so behind me
Don't let them in, (11) let them see	Buried in the snow
Be the (12) girl	Let it go
You (13) had to be	Let it go
Conceal, don't feel	Can't hold you (22) anymore
Don't let them know	Let it go
Well, now they know	Let it go
Let it go	Turn my back and (23) the door
Let it go	And here I stand
Can't (14) you back anymore	And here (24) stay
Let it go	Let it go
Let it go	Let it go
Turn my back and slam the door	The (25) (26)
And here I stand, and (15) I'll stay	(27) me anyway
Let it go	Let it go
Let it go	
The cold (16) bothered me anyway	Here I'll stay
It's funny how (17) distance	Let it go
Makes everything seem small	Let it go
And the fears that once controlled me	
Can't get to me at all	Let it go
Up here in the cold thin air	
I finally can breathe	
I (18) left a life behind	
But I'm to relieved to grieve
