

(Oh, love, oh, love, oh, love)

## Fill in the gaps

## Away by Enrique Iglesias & Sean Garrett

Away, away	Just ain't what it used to be
(Oh)	I confronted my fears (16) open arms
Away, away	Although you said you will never give up on us
(I wanna know, I wanna know, I)	But now you blow me away
This (1) like the coldest day in a hurricane	Away, away, away, oh why?
Looking through a glass window	l (17) know
And you're (2) to the top of your lungs	I (18) (19) why you wanna throw me
And the bell's (3) rung	away
And the crowd can't hear you	Away, away, away, oh why?
And all that I can see is a building burning	I gotta know
I just gotta rescue my baby	I gotta know why you wanna blow me away
But you don't even recognize me	Away, away, away, oh why?
And (4) though the feeling's been gone	I wanna know why you wanna throw me away
I (5) wanna be here	Perfect we said we'd never be
To pick up the little (6) of remains	So why is (20) happening to me?
I'm going down, the plane is smoking	No way, no way
And the (7) one who can save me is you	No way, no way
But you want to throw me away	No way, no way
Away, away, away, oh why?	No way, no way, no way
I wanna know why you (8) throw me away	No way, no way
Away, away, away, oh why?	No way, no way
I gotta know why you wanna (9) me away	No way, no way
Away, away, away, oh why?	No way, no way, no way
I gotta know	Away, away, away, oh why?
I wanna know why you (10) throw me away	I (21) know
You used to ask why was I so skeptic (of love)	I wanna know why you wanna (22) me away
Girl, 'cause it changes	Away, away, away, oh why?
And it ain't got to be no real reason	I (23) know
You (11) to (12) the dream and	I gotta know why you wanna throw me away
(13) you know	Away, away, away, oh why?
There's a door that opens	I wanna know
And the moment you walk in, it close	I (24) know why you (25) throw me
Maybe it's (14) else	away
Or a situation (15) you can't help
