Life Won't Wait by Ozzy Osbourne

Fill in the gaps

watch it all change	Faith to live as we should
Take the news of the day	And know we're all connected
And throw it away	We give ourselves the power
Time will kill all the pain	Stay strong
Fate will (1) the decay	Stay true
Of all this blind ambition	Be brave
The greed brings us together	It all comes down to you
Stand up	Every day that you wait
Aim true	You're falling faster
Keep heart	No sleight of hand
The future looks to you	No twist of fate
Every second you throw away	No (7) after
Every minute of everyday	When it's gone, it's gone
Don't get caught in a memory	A fight 'til the bitter end
Cause (2) won't (3) for you	Life won't wait for you
No, life won't wait for you	No, life won't (8) for you
My friend	My friend
'm watching the change	Life won't wait for you my friend
Who (4) carry the flame	Life won't (9) for you my friend
t all feels very strange	
Dreams (5) (6) can be good
