Fill in the gaps

You know that the fog is (1) om	nipresent	Unfathomable, wall-less maze
When the (2) (3)	no cure	A secular haze
You (4) that the fog is (5)	omnipresent	He is divinity omniscient
When the intents (6) obscure		Seeing the world revolve with spite
Forevermore		The surge of humanity oblivious
Weave us a mist		To the divine whom bringeth light
Fog weaver		Let there be night
Hide us in shadows		Weave us a mist
Unfathomable wall-less maze		Fog weaver
A secular haze		Hide us in shadows
You know that his son is near omnipotent		Fog weaver
When she sees eye to eye with spears		Come mist eternal
You know (7) his son is near omnipotent		
When youth and (8)	disappear	Come (9) eternal
Forever lost		
Weave us a mist		Come secular haze
Fog weaver
