

Hide us in shadows

Fill in the gaps

You know that the fog is (1) omnipresent	Unfathomable, wall-less maze
When the diseases (2) no cure	A secular haze
You know that the fog is (3) omnipresent	He is (12) omniscient
When the (4) remain obscure	Seeing the world (13) with spite
Forevermore	The (14) of (15) oblivious
Weave us a mist	To the (16) whom bringeth light
Fog weaver	Let there be night
Hide us in shadows	Weave us a mist
Unfathomable wall-less maze	Fog weaver
A (5) haze	Hide us in shadows
You (6) (7) his son is near omnipotent	Fog weaver
When she sees eye to eye (8) spears	Come mist eternal
You (9) that his son is (10) omnipotent	
When (11) and innocence disappear	Come (17) eternal
Forever lost	
Weave us a mist	Come secular haze
Fog weaver
